

Paper Butterfly

Step 1: Gather Your Materials

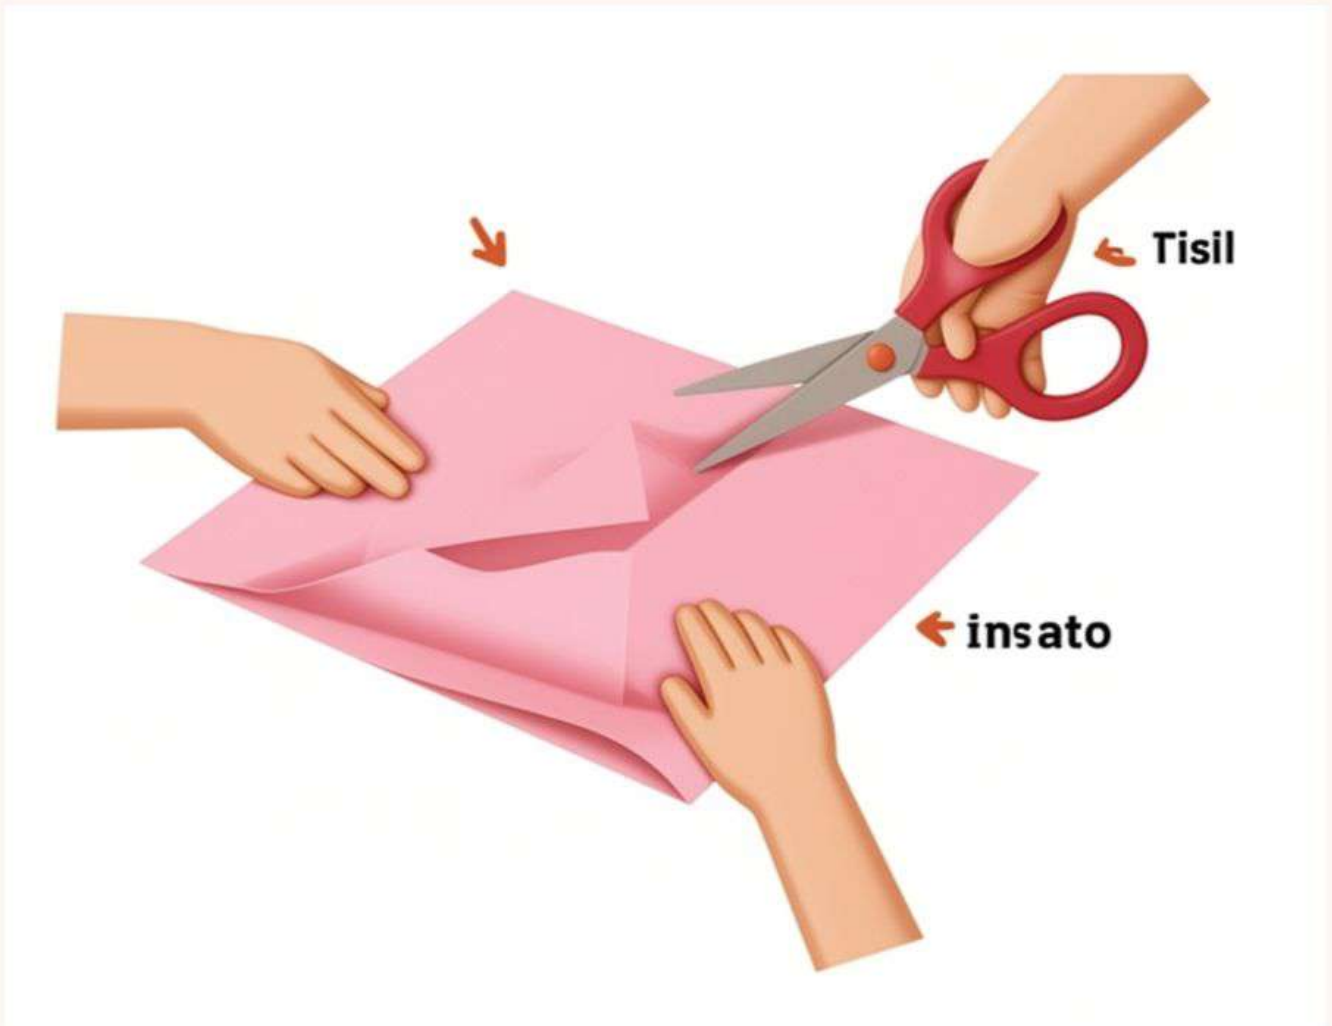

You will need:

- 1 sheet of colored paper
- Scissors
- 1 pipe cleaner
- A ruler (optional)

Step 3: Accordion Fold the Paper

Fold the paper back and forth in small accordion folds (about 1cm wide). Keep folds as even as possible.

Step 4: Pinch and Wrap

Pinch the folded paper in the middle. Wrap the pipe cleaner around the center and twist to secure. Leave the ends sticking up as antennae!

Step 5: Fan Out the Wings

Gently fan out the folds on each side to create the wing shape. Spread them evenly for a full, pretty butterfly!

Step 6: You're Done!

Your paper butterfly is complete! Curl the antennae around a pencil for a finishing touch. Make a whole flock in different colors!
